

## BATTERY DECLARATION

**The manufacturer:**

VERMEIREN GROUP  
Actor ID/SRN: BE-MF-000019750

**Address:**

Vermeirenplein 1/15  
2920 Kalmthout  
Belgium

**declares under his sole responsibility that the CE marked medical devices:**

Product group:	Electric (powered) wheelchairs	
Brand:	VERMEIREN	
Type:	Verso,	Plego
Basic UDI-DI:	5415174VersoG7	5415174PlegoCH

The batteries used in Verso and Plego wheelchairs are Lithium batteries (24V/12.8 Ah, 24V/17.5 Ah & 25.9V/12.8 Ah) designed for use in wheelchairs or mobility aids. They meet the requirements of each test in the UN Manual of Tests and Criteria, Part III, subsection 38.3, as requested by IATA guidance document regarding Transport of Battery-Powered Wheelchair and Mobility Aid Carried by Passengers.

The lithium battery(ies) needs to remain installed in the mobility aid and switched off prior to loading in air transport, as described in the instructions for use of the mobility aid.

Furthermore:

The approval of the airline operator is required for battery-powered mobility aids used by passengers. At least 48 hours prior to travel or at the time of booking, the user of the mobility aid, travel agent, tour operator or other third-party booking websites should seek approval from the airline operator for the carriage of the battery-powered mobility aid.

City, Date: Kalmthout, 2025-05-07
